Leave a Legacy
Consider a gift that makes our world a better place long into the future.
Manatee Community Foundation is experienced in partnering with you and your professional advisors to design and administer a charitable legacy plan that is meaningful, tax-wise and integrated with your estate plan.

- You do not need to know exactly how much you want to leave to charity or the charitable purpose when you come to meet with us.
- We are here to be a resource and help you explore all of the options in legacy giving.
- If you wish, your family can be involved in your fund after you pass, fostering a legacy of philanthropy for the next generation.
- Your Future Fund agreement can be modified at any time at no cost.

We’re Proud to be Your Partner in Legacy Giving

Charitable Legacy Plans Based on What You Care About

Manatee Community Foundation administers legacy funds that honor a number of donor aspirations:

- Providing annual funds to more than one designated charitable organization.
- Impacting a broad mission area, such as education or the environment.
- Supporting emerging needs of the future.
- Endowing a gift for years to come or awarding grants over a specific number of years.
